

Chef Container - Is not just another local utility

Some times it seems in this busy world we forget that those services used daily need to be notified when our life changes. Trash service is a utility provided by your city or subcontracted by yourself, please make sure when changing homes to remember to take Chef Container with you or call us to discontinue service.

Did you know? That Chef Container offers a drop off right here in Holland. Our Transfer Station is the best place to go with your refuse since we recycle materials like wood, metal and others you might otherwise just be dumping into a landfill. [Recycle, Reuse & Reclaim Materials](#)

CHECK IT OUT - NEW WEBSITE

Chef Containers introduces our new website on February 5th, 2010.

- ✓ **ONLINE BILL PAYMENT**
- ✓ **ONLINE RECYCLING BAG ORDER FORM**
- ✓ **SPRING CLEAN UP DETAILS - INCLUDES TEMPORARY DUMPSTERS**
- ✓ **HOUSEHOLD HAZARDOUS WASTE**
- ✓ **RECYCLING DETAILS - DO's & DO NOT's**
- ✓ **YOUR LOCAL DROP OFF POINT - THE TRANSER STATION**

SPRING CLEAN UP TIME

It's time again to clean out those basements and garages and make room for the summer.

- ✓ **LOW RATES - KEEPING YOUR COSTS DOWN**
- ✓ **SEVERAL SIZES - BASED ON YOUR PROJECTS**
- ✓ **PICK UP & DELV INCLUDED**

Did you know? As part of our service we help you save the environment by sorting your dumpster to reclaim reusable materials before it heads to the landfill like wood, metal & other recyclables..

YELLOW BAG RECYCLING PROGRAM

Chef Containers was the local pioneer in launching its Lakeshore YELLOW BAG program which allows residential and commercial users to recycle using a commingled (one container, no sorting) approach!

Please take a moment to look over the list on our website showing you what items can be recycled and not recycled.

Did you know? That last year (2009) with your help Chef Container recycled enough paper to save 48,063 trees, 223,353 gallons of oil, 19,790,799 gallons of water. **GREAT JOB!!!!**
